**Elevate
your living
experience.**

EV CHARGING POINT

Exclusively for our residents, we provide dedicated EV charging points. Rest assured knowing that you can conveniently charge your electric vehicle right on your property as we embrace the future of transportation.

SOLAR POWERED

Harnessing the power of the sun, our apartments are equipped with state-of-the-art solar panels to provide clean, renewable energy. By choosing solar, you're not only reducing your carbon footprint but also lowering your utility bills.

24x7 POWER BACKUP

A diesel generator that can provide 24x7 power backup for common areas, even during a massive power outage.

360 DEGREE CCTV SURVEILLANCE

Your safety and security are our top priorities. That's why there's CCTV surveillance throughout our apartment community.

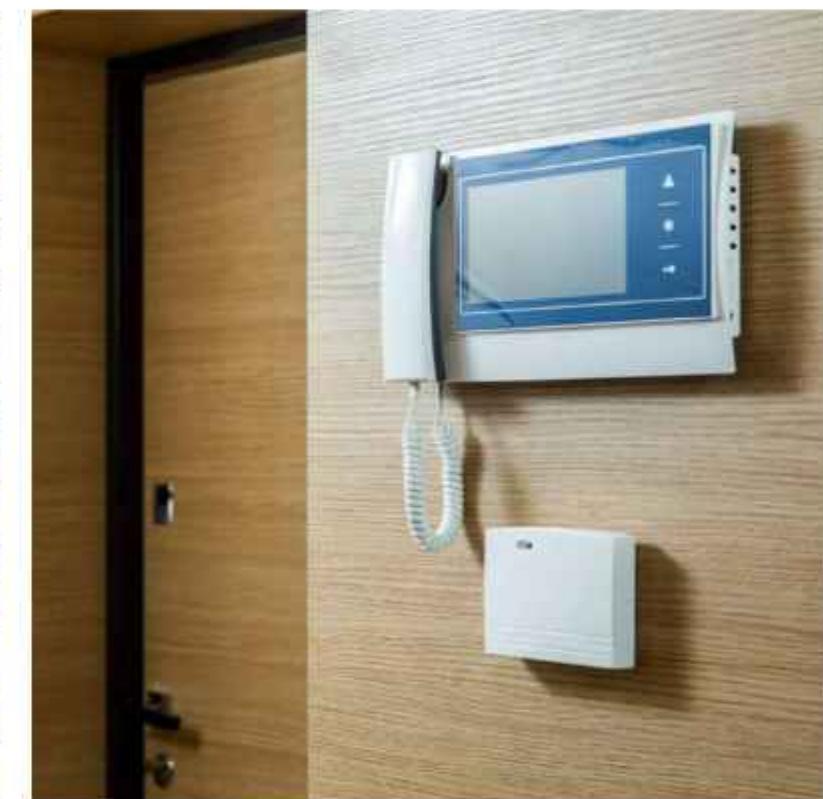

STRETCHER LIFT

Offering generous space to accommodate individuals and bulky items alike, our stretcher lift emphasizes comfort and practicality. Bid farewell to cramped confines and welcome a journey of smoothness and spaciousness.

CAR WASH BAY

Located conveniently on-site, our car wash bay is here to keep your vehicles sparkling clean without the hassle of leaving home.

PIPELINE GAS

Experience the convenience and efficiency of pipeline gas for cooking in your new home! Say goodbye to the hassle of changing Cylinders or worrying about running out of fuel mid-meal. With pipeline gas, you can enjoy uninterrupted cooking experiences every day.

VIDEO DOOR PHONES

Modern security, simplified. Our cutting-edge Video Door Phones seamlessly integrate safety and convenience into your daily life.
